## Property Details:

Stately brick home beckons you to come in and enjoy all the beauty and elegance this home has to offer. Large and lovely ceramic tiled entry foyer welcomes you home. Step into the large great room with a lovely fireplace. You can relax with a good book in the attractive sitting room. Enjoy your morning coffee in the bright and cheerful breakfast room. For entertaining, the large dining room is just perfect. The kitchen is a breeze to prepare meals in with lots of counter space and cabinets. All the bedrooms are large and the master suite has a whirlpool tub, separate shower and double sink. Outstanding Jack n Jill bath makes for added convenience. The home has lots of lovely upgrades including second floor laundry, 9' ceilings, walk in closets, and more. To keep your cars warm and dry there is an outstanding three car garage. The full, walk out basement has a rough in bath for added living space. All this and more beautifully situated on a large, level yard.
